

Checklist of Reptiles and Amphibians

This is the official checklist of reptiles and amphibians that occur at Fort Frederica National Monument. All species below have been documented at the Park or are presumed to be present based on available habitats.

Any species seen that are not on this checklist should be reported to the Visitor Center or to the Southeast Coast Inventory & Monitoring Program, Division of Science and Natural Resources, 100 Alabama St., SW, Atlanta, GA 30303. For more information on the Inventory & Monitoring Program, visit <http://www1.nature.nps.gov/im/units/secn/>.

Status

P – Present in Park

U – Unconfirmed

NN – Non Native

✓ ✓ ✓ Status

Alligators & Crocodiles

_____ American Alligator
(*Alligator mississippiensis*)

Snakes

_____ Scarlet Snake **P**
(*Cemophora coccinea*)

_____ Black Racer **P**
(*Coluber constrictor*)

_____ Corn Snake **P**
(*Elaphe guttata*)

_____ Rat Snake **P**
(*Elaphe obsoleta*)

_____ Eastern Kingsnake **P**
(*Lampropeltis getula*)

✓ ✓ ✓ Status

_____ Red-bellied Snake **P**
(*Storeria occipitomaculata*)

_____ Common Garter Snake **P**
(*Thamnophis sirtalis*)

Lizards

_____ Eastern Glass Lizard **P**
(*Ophisaurus ventralis*)

_____ Green Anole **P**
(*Anolis carolinensis*)

_____ Broad-headed Skink **P**
(*Eumeces laticeps*)

_____ Ground Skink **P**
(*Scincella lateralis*)

_____ Six-lined Racerunner **P**
(*Cnemidophorus sexlineatus*)

Turtles

_____ Chicken Turtle **P**
(*Deirochelys reticularia*)

_____ Diamondback Terrapin **P**
(*Malaclemys terrapin*)

Frogs

_____ Southern Toad **P**
(*Bufo terrestris*)

_____ Barking Treefrog **P**
(*Hyla gratiosa*)

_____ Squirrel Treefrog **P**
(*Hyla squirella*)

_____ Greenhouse Frog **P, NN**
(*Eleutherodactylus planirostris*)

_____ Eastern Narrow-mouthed Toad **P**
(*Gastrophryne carolinensis*)

_____ Eastern Spadefoot **P**
(*Scaphiopus holbrookii*)
